

# St. Louis Rocketry Association

The St. Louis Rocketry Association is the St. Louis metro area's rocketry club. We are affiliated with two highly respected national organizations, the National Association of Rocketry and the Tripoli Rocketry Association, Inc.

Our purpose is to provide a safe setting where people can have fun flying rockets together. We fly everything from simple sport rockets to large sophisticated models equipped with cameras, altimeters, accelerometers, GPS systems and other electronic payloads.

We maintain two insured launch sites where we fly approximately once a month, sometimes more, weather permitting. Our model rocket launches are held at Buder Park. High Power launches are held at our Elsberry, Missouri launch site. We also hold monthly business meetings to discuss club business. Non-members and newcomers are welcome to participate in any of our activities.

## 2007 Launch Schedule

Event	Where	Date	Time
Demo Launch & Air Show	Scott AFB	July 7 **	9:00am – 5:00pm

\* These are launch dates that could be "postponed" or "rolled-over" instead of being canceled (see below).

\*\* Demonstration launch (9:00am) and static rocketry display at Scott Air Force Base "Air Fest 2007".

\*\*\* SLRA participating with the Greater St. Louis Modelers Assoc. in two-day event called the "Aero Modeling Extravaganza" to be held in Buder Park. See also <http://www.budersflyers.com> or <http://www.gslma.com>

**Note:** All Launches may be postponed or cancelled due to inclement weather, crop conditions, mud or other unforeseen circumstances. Please check our web-site at: <http://www.stlouisrocketry.org> for the current launch status and updates. Launch dates marked with a single asterisk (\*) are subject to change due to weather and field conditions. These launches may be "postponed" or "rolled-over" until following Saturdays or weekends, instead of being canceled for the reasons stated above. For more details about the "roll-over" launch dates please see the "**Schedule**" page of our web-site.

Business meetings are held on the second Tuesday of each month at:  
Growlers Pub, 3811 South Lindbergh Blvd. The meetings start at approximately 7:00pm.
